

Core French: Calendrier (5.2)

Nom: _____

1. In French, add the month and days of the week to the calendar (start with Sunday at the far left)
2. Add the dates (28, 30 or 31) to the calendar - make sure they're on the correct days!
3. Add important dates to the calendar, such as holidays, field trips and project deadlines. Decorate it when you're done!
