

SD71 ACCESSIBILITY IPAD APPS

login with district Microsoft account student#@learn71.ca

BookCreator

<https://t.ly/71book-creator>

Create ebooks, comics, social stories and more. Add text, images, audio, video, and drawings to your books, and publish them. Works with Accessibility Tools

Seeing AI

<https://t.ly/71seeing-ai>

Narrates the world around you. It can describe text, people, objects, scenes, colours, handwriting and more. Designed for the blind and low vision community, helpful reading support.

Microsoft Lens

<https://t.ly/71-microsoft-lens>

Take a photo of text or handwriting -> open in Immersive Reader to access reading supports like text to speech. Scan and enhance any document, whiteboard or photo.

Voice Dream

<https://t.ly/71voice-dream-reader>

Read and listen to text, PDFs, web pages, books and emails. Customize the reading style, voice, speed, font, and colour to suit your preferences and needs. Download novels and textbooks from ARCBC.

Keedogo Keyboard

<https://t.ly/71keedogo>

Simplified keyboard. Choose lowercase key labels, colour-coded vowels. Five different themes to choose from. Open Dyslexic and high contrast options. Can be used with any app on iPad. 11 languages available.

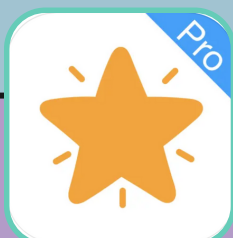

SnapType Pro

<https://t.ly/71snap-typepro>

Take a picture of a document or import a PDF. Type text using the iPad keyboard. Can use speech to text, word prediction or Talker messages to input text.

Claro PDF Pro

<https://t.ly/71claro-pdf>

Read, annotate, add text or audio comments. Listen to PDF file with a human quality voice and synchronized highlighting. Take a photo -> use built-in OCR (optical character recognition) to create accessible text files.

Read&Write

<https://t.ly/71readandwrite-ipad>

Keyboard that supports reading, and writing using text-to-speech, word prediction, dictionaries, spell check and more. Use with any app that allows you to type text.

SD71 APPS

<https://t.ly/71sd71-apps>

"SD71 Top Recommended Apps" lists for subjects, accessibility, executive functioning, eBooks, eText and more. Click the tabs at the top to move between categories.

Assistive Technology Resources

<https://t.ly/71assistive-tech>

Collection of tips sheets, videos, links and features about the assistive technology supports, tools and apps that SD71 staff and students have access to.
